Report on Vocational Training

Ten (10) days Vocational Training programme on “*Electric wiring for Self Employment*” from 6th July -15th July, 2011 was organized by DKVK West Tripura for the rural youth(RY) of West Tripura district. Seventeen RY from 6 different villages namely, Jambura(Purba Ganki), Khowai, Sachindranagar, Chebri, Sonatola,were selected purposively for the programme. During the programme, following activities were completed:

1. Brief discussion on the programme with aim and objectives.
2. Acquaintances with instruments required for electric wiring and their usage
3. Do's and don'ts in electric wiring
4. Practical works on repairing and new wiring of KVK garage, Trainee kitchen room and dining hall, brooder house etc
5. Pre and post evaluation through practical identification, questioner etc.
6. Motivation for group formation
7. How to advertise their skill among local people?
8. Experience sharing and interaction

In the evaluation programme, three trainees scored 100 percent, eight trainees obtained scored 80- 90 percent and rests obtained averaged score. After the Evaluation programme organized a valedictory function for distributed certificate as well as electrical instruments to every trainees. Programme Coordinator, KVK West Tripura, presided over the valedictory session. The programme was also attended by SMS-Plant Protection, Agril Extension, Animal Science, Home Science and experts for the training programme. During the experience sharing programme all the trainees were praised the KVK for

such useful training programme which is very essential for their not only for earning but also for day to day work. They expressed that this programme will definitely avoid the dependence on Electrician for the seventeen families who successfully completed the programme under the guidance of DKVK-West Tripura. One trainees Sri Gokul Debnath expressed satisfaction as he could able to earn Rs. 100.00 by working on wiring by using the basic tools for electric wiring provided by DKVK-West Tripura.

Trainees happy with completed work
